Kerr Summarizes Some Of Aspects Of Incorporation For Campbell

Editor's Note: The following is a report by Leslie Kerr, member of the taxation and revenue sub-committee of the committee for Campbell incorporation. In his report he summarizes some of the reasons for incorporation, emphasizes the need for voters to express their opinions at the polls and gives reasons for certain individuals favoring incorporation.

The seed of dictatorship takes root in a community which is not interested in its own welfare. More particularly in a locality like Campbell which shows such a complacent indifference to its own fate or care for the well-being of its people.

Patriotic residents of Campbell cannot help but feel appalled when they study and ponder result of Campbell election returns. The voting abstention rate of Campbell is abnormal in that it has even reached a point where 70 or more out of every 100 registered electors have failed to vote. And, in addition, it is a well-accepted fact that registration never reaches maximum possibilities.

In the last special election of September 18 (West Valley Hospital) only 36 out of every 100 registered electors cast their ballot, in spite of the fact that the issue involved every man, woman and child residing in the Campbell-Saratoga-Los Gatos area.

As a further demonstration of local indifference concerning local administration of public affairs, note returns of the last presidential election (1948). The voters of the Campbell area cast 2231 ballots for National and State officials and only 1073 ballots were cast in the direct primary to select their county officials. This means that 52 out of every 100 electors actually voting were not interested in who would manage the town of Campbell. In other words, the people of Campbell failed to accept their full responsibility as American citizens.

The average number of potential voters residing in the average Campbell precinct is around 600; the average number of people who actually voted in the average Campbell direct-primary election was 134. Thus, the precinct leader who controls 68 votes can determine the primary election result in the average precinct—68 being more than half of 134.

In the event that Campbell becomes a city, the "master-mind" who can control a majority of the precinct or ward leaders, becomes the "city-boss." The sure and only way to defeat bossism is for the people of Campbell to take an active part in the daily life of their community and to VOTE wisely.

In order to more readily understand cause for alarm and to show how "rule of the few" is achieved, further analysis is made of the Campbell election returns, to wit:

Only about half of the people of the United States can take part in their government by voting. However, after leaving out all those too young to vote, all those who have not lived long enough in one place, and all those who are otherwise disqualified, either by law or by their own failure to register for voting, there are less than 50 percent of the population who are potential electors. Thus:

If there are 8,000 Campbell residents; only 50 percentum of the population is entitled to vote, or 4000; only 30 percent of the registered electors actually vote, or 1200; and, "the rule of the majority" prevails, then a little more than 600 people could dictate to the 8000 residents of the Campbell area.

The only way to help keep America free and to have good local government is for every adult of Campbell to register and vote intelligently. Every voter should be alert, independent enough to read and think for himself and to KNOW what is being done for him and his community.

If a large number of the local citizens are ignorant of or indifferent to local conditions then most any form of city government is likely to be a failure. If the local voters are well informed and vote with good common sense, most any sort of home rule will serve the people well.

Is it not time for the people of Campbell to awaken from their lethargic inaction and begin to think, talk, live, and act like Americans? Let's turn over a new leaf in our local history and resolve to better the community in which we live through our devotion to duty as American citizens. Let's become more civic minded; take active part in all matters affecting Campbell; maintain liberty for ourselves and our children; give mature and deliberate consideration to all proposals which have a bearing on our welfare; and to indicate our preferences and our conviction in the American way by voting at ALL elections.

In the not far distant future the local electorate will be called upon to decide by ballot whether they want freedom of action to govern themselves or prefer absentee control and management. The proposal at issue will have a direct and vital bearing on your present welfare and the welfare of your children. The result will affect the lives of everyone residing in the town of Campbell and its environs.

In my chats with different people I hear many reasons advanced in opposition to municipal progress. Some are asinine in nature and need no comment on my part. Others arise from a natural human trait of being more or less suspicious when it comes to things unknown. The most common query of any importance relates to possible "selfish interest" of individual members of the general committee.

After careful investigation and direct inquiry I am satisfied that none of the most active and aggressive members expect any reward other than a personal satisfaction in having performed their civic duty. This, however, is not intended to mean that none of these people would make admirable city officials or efficient employees. They most assuredly would.

The more personal reasons for interest in incorporation of Campbell are:

L. W. Harmon, resident and owner of taxable real estate has stated emphatically that he not only does not expect any of the city jobs but would not accept one under any circumstances.

Don Reinoehl, Ona Chubb, E. A. Garrison and Rex Kaber are all residents of the proposed incorporated area and owners of taxable property and as such, feel that incorporation proceedings are vital to their interest. And,

"Judge" A. J. Emery: While a non-resident of the proposed area, he realizes the probability of passage of urban unincorporated legislation and wishes to see Campbell incorporated so that he may ask for annexation of property which he owns at the time of such legislation. And,

Campbell Press: Owners realize the need for proper community and urban services such as zoning fitted to needs of the area, police protection, local government rather than absentee government. No newspaper can progress until community which it serves first progresses. Economic benefits secondary to desire for better services to the community.

Another objection entitled to deliberate consideration and candid answer is where the elector questions, the advisability and the necessity for limiting the proposed corporate area to well-settled and well-developed localities. The reasons for such restrictions are:

(1) Sparcely settled areas do not contain sufficient property values, at maximum legal tax-rates, to produce revenues adequate to pay for the costs of furnishing required city-services;

(2) The costs of furnishing city-services to an undeveloped area would be prohibitive;

(3) Considerable acreage tracts separate Campbell from some desirable localities which, otherwise, would have been included in the proposed city limits;

(4) Major communities were by-passed when there was an apparent local objection to inclusion as a part of the proposed city of Campbell;

(5) The inclusion of a larger area would have necessitated elimination of orchards and other acreage tracts and thus have resulted in a sprawling and checker-board type of city area. Such adverse conditions would prevent smooth running city operations and have forever plagued the city management.

(6) The area selected can be operated at a minimum cost; it contains adequate tax-assessment values; and, the revenue potentialities are considerable. There are 180 odd other cities of California with a lesser population than the estimate forcast for Campbell.

The writer does not subscribe to the thesis that the people of Campbell are not ready for home rule and that they cannot successfully operate a well governed city.

Cambrian Superintendent Calls For Funds To Build Area Youth Center

D. M. Bagby, superintendent of the Cambrian School District, issued an appeal on behalf of the Cambrian Men's Club calling for funds to construct a Youth Center Building. Bagby emphasized the fact that increased population in the district has brought about the need for greater youth recreational facilities. "Many of the youth clubs and organizations in the area are unable to accept new members due to the lack of space for meeting places," the school superintendent stated.

The Cambrian Men's Club, an organization of men in the Cambrian area, is sponsoring the drive in line with the policy of promoting youth recreational facilities. All men in the Cambrian school district automatically become members of the group when they move into the district. A spokesman for the club stated that it was the desire of the group to provide suitable meeting rooms and facilities for all the youth and adult groups in the school district.

Youth organizations which are in need of suitable meeting places include the Cub Scouts, Brownies, Girl Scouts, Boy Scouts, 4-H Clubs, Bluebirds, Hi-Y:YMCA groups. Explorer post of the senior Boy Scouts, teenage dance group and the children's folk dancing group.

"The activities of the groups mentioned have been limited," Bagby stated. "To take additional children has been out of the question due to limited space. If the Men's Club is successful in getting an all-purpose youth center, their needs will be met."

Adult organizations which are in need of meeting places include the Agricultural Extension Organization, Farm Extension group, Circle and Folk Dancing group, Beginning and Intermediate California Adult School for Folk Dancing, Square Dance Callers, Cambrian Men's Club, and Cambrian Home and School Club. In commenting on the agricultural organization, Bagby stated that the group has grown so large that they must meet twice to care for their complete membership.

Bagby stated that money for the Youth Center must be raised by donations, shows, carnivals and projects of similar types. He asked all persons interested in welfare of Cambrian children to make contributions to the building fund.

Moreland PTA To Hear Dr. Clarence Angel

Members of the Moreland Parent-Teachers' Association will hear Dr. Clarence Angel, family consultant, speak to them on the topic of "Ma, Pa, and Me, Inc." at a meeting to be held at 8 p.m. tonight in kindergarten room 2 of the school. Child care will be provided and refreshments will be under the direction of room mothers. Members are reminded that the membership contest closes today.

Mrs. Andres Not Held In Saratoga Shooting Affair

Mrs. Mildred Andres, Saratoga woman involved in a shooting on Wednesday night in which her brother, William W. Sterne and her son, Gordon Topping, were killed and she was wounded, will not be held on charges by the sheriff's office, Inspector James Cunningham announced yesterday.

Sheriff's officers who were called to the Sterne residence on Mendelsohn Lane at 11:30 p.m. Wednesday night found Sterne lying in a hallway of the three-bedroom house. He had been shot in the head. Topping lay nearby with .22 bullet wounds in his chest and side. Mrs. Andres received lesser wounds from a .22 rifle. Investigating officers believed that Sterne had shot Topping and Mrs. Andres and that she in turn had shot her brother. It is known that Mrs. Andres fired two shots at a distance of approximately 20 feet. One of the shots missed Sterne and the other shot apparently hit him in the head.

LIONS VIEW FILMS ON YOUTH RECREATION

Les Norberg presented films on juvenile recreation to members of the Campbell Lions Club at their Tuesday night meting in the County Woman's Clubhouse. Bob McBain was elected to the office of Lion Tamer and Harold Shumway received the post of Tail Twister. Harry Gerin reported on the club's project to raise funds for Lions youth activities and stated that approximately $10 has been collected to date. Dave Tripiano, zone chairman, from Mt. View, was present at the meeting.

President L. L. Dodson presided.

Next meeting will be held in the Red Coach Inn on Tuesday, Nov. 27.

ROTARY CLUB PLANS JOINT MEET WITH LOS GATOS

Members of the Los Gatos and Campbell Rotary Clubs will hold a joint meeting Monday in the Odd Fellow's Hall. The high school a cappella choir will furnish entertainment for the group.

APPLICATIONS NOW BEING TAKEN FOR EXTRA P.O. HELP

Applications are now being accepted at the Campbell Post Office for extra Christmas help, Ira Grim, postmaster, stated this week.

TICKET SALES FOR BENEFIT PLAY UNDERWAY

Members of the Footlighters were told that ticket sales were underway for the play "Over 21," benefit production for the County Blind School, in a report given by Alma Fanning, president of the Campbell drama group. In her report Tuesday night, Mrs. Fanning also stated that rehearsals were progressing according to schedule and sets were well started. The play, a three-act comedy, is sponsored by the sixth district Parent-Teachers Association and all profits will be used for the purchase of a station wagon to provide transportation for the children. Play will be held in Campbell high school on November 31 and December 1 in the school auditorium.

The president also named committees for the coming year. Gregory Parker, Budd Levenberg and Ellen Lanphear were chosen to serve on the membership committee; named to the wardrobe committee were Jeanne Sheeder and Lucille Corvello; Veva Chamberlin was named publicity chairman; Ida Levenberg, librarian; by-laws, LBen Howard and Ida Levenberg; drama advisors, Marion Nelson and Carolyn Coons. Also named were Ellen Lanphear and Alma Fanning as prompters for the production of "Over 21."

Mrs. Fanning then outlined the program for the year. Program included a one-act play, skit or monologue each month; a review from the drama advisors each month, instructions each month from directors on problems of acting, a picnic, a three-act play, an Old Settlers' Day play, and a meeting where all members would come dressed as characters and other members would attempt to guess who they depicted.

The meeting was held in the barn on Mrs. Ida Price's Dry Creek property.

Construction Of Rosemary School Nears Reality

With critical material now assured, Campbell Union School District this week began advertising for bids on Rosemary School, second on the district's building program. Bids will be opened at a board meeting on Dec. 13. District Superintendent William C. Henley said it is hoped that construction will start by Jan. 15.

Site for the school is in the northwest corner of Campbell at the end of Rosemary Lane and Carlyn and Milton Ave., fronting on a westerly extension of Hamilton.

The building will have 11 classrooms, kindergarten, multi-purpose room and administration rooms.

First school of the district's building program, Cypress, is already under construction. Henley said Quito school is third on the building schedule. If completed according to schedule Quito will be ready for pupils by Fall of 1952. If all three schools are completed, it is likely the district will be off double sessions next year.

Selects Safety Committee

Members of the Campbell Junior Chamber of Commerce named Jim Allen, Lewis B. McChesney and Charles Elsner as members of the group's safety committee at a meeting held Wednesday night in the home of Bill Hall. The committee will meet with the Santa Clara Safety Council on November 26 in San Jose to discuss safety measures throughout the county. The county chapter is seeking representatives from all Campbell organizations to form a Campbell Safety Council. Once formed, the council will in turn elect representatives to the county chapter.

Junior Chamber of Commerce President Charles Elsner announced that the whist party will be held at 8 p.m. December 8 in the high school gym. Portions of the proceeds will go toward financing a theatre party on December 24 in the Campbell theatre to raise funds for the Salvation Army's program of care for needy Campbell persons. Admission will be one can of food.

Local Man To Enter Birds In Poultry Show

Judge A. J. Emery announced this week that he will enter seven of his prize winning white plymouth rock chickens in the annual exhibition of the Oklahoma State Poultry Federation in Oklahoma City to be held from December 4 through December 9. Emery, who has taken prizes with his birds in local competion, states that he will motor to the show and will leave on November 30 for approximately ten days. A former resident of Oklahoma, he was first Dairy Commissioner of the state between 1907 and 1913.

The State of Oklahoma, by action of the legislature, provides $6000 annually to defray expenses for the exhibition. Much time is devoted to an educational program, the Junior Division with its 1500 entries by 500 boys and girls and the annual banquet given by the Oklahoma City Chamber of Commerce.

Show will be held in the municipal auditorium whose main hall has a seating capacity for more than 6000 persons.

...ard will then set time for a special election to decide the issue. Incorporation must be approved by a majority of the registered voters attending the polls.

Assurance of the election came after more than six months work on the part of proponents of the issue. Move was started when residents of the area became alarmed over strip annexation moves by the cities of San Jose and Santa Clara and after the introduction of the urban unincorporated law in the state legislature. First move was an opinion poll taken of residents of the area in which inhabitants signified approval of incorporation proceedings by a six to one ratio.

Following the selections of a general committee and naming of sub-committees, boundaries for the proposed city were drawn up and petitions asking for a special election were circulated. Petitions were called in once when the boundary committee changed boundaries after meeting considerable resistance to the move in the Cambrian area.

STAMP GROUP TO DISCUSS NEW CHARTER

Members of the Merchants Stamp Committee will meet Tuesday night in the new quarters of the Campbell chamber of commerce to discuss proposed charter and by-laws. Merchants participating in the plan would issue trading stamps for all purchases made in their stores. Stamps would be redeemable in merchandise at participating merchants businesses. They would be issued at the rate of ten stamps for every dollar purchase and could be redeemed as soon as stamp books were filled.

Should the proposed by-laws be adopted at the meeting, members will elect officers and set a date for putting the plan into operation.

Joint Meeting Of Kiwanis Hears Talk On Narcotics Control Tuesday

Ray Blackmore, Chief of San Jose Police, told members of a joint meeting of the Los Altos and Campbell Kiwanis Clubs Tuesday of the efforts which the department is making to end violations of the narcotics laws. He explained the relation between crime incidence in the city and the use of narcotics and cited several cases where crime has shown an increase in areas known for their large consumption of drugs.

"When a person become fully addicted to the use of drugs," Blackmore explained, "he will need from $25 to $50 dollars a day to supply himself. Naturally, in his weakened condition, he finds it impossible to earn this amount, so he generally turns to crime to gain the necessary funds."

"We find that most users of narcotics will return to the use even after they have gone through a curing period in an institution. This is caused by the fact that the addict usually returns to the same environment in which he first started using drugs. Approximately 75 percent of addicts will return to the use of narcotics after undergoing 'cures'."

He told his audience that 52 arrests for violation of narcotics act laws had been made in San Jose during the past year.

The San Jose chief stressed the rising use of narcotics among younger persons, stating in many cases, use of the drugs may be traced to lack of moral and spiritual training in the home. "The morals and spirit in many homes are not adequate to meet the needs of ma y juveniles." He suggested that more religion be taught in the home.

Detective William McKenzie of the Narcotics Division in San Jose, presented cards showing different drugs and described their effects on persons and showed some of the devices used to take drugs.

W. R. Morgan, district Lt. Goveronor, presented a resolution by the California-Nevada-Hawaii district calling for laws which would make a prison term mandatory for all persons convicted of selling or giving narcotics to minors.

Morgan also introduced Fong Que Jung, Lt. Governor-elect for Northern California and Nevada, to the group. Jung is from the Monterey district.

Fred Jones, president of the Campbell club, introduced Archie Campbell, president of the Los Altos Kiwanis, who in turn, introduced speakers for the day.

Lorraine Wood Receives Award From Sorority

At the musical tea held in Atherton last Sunday afternoon commemorating the 48th anniversary of the founding of the professional music sorority, Mu Phi Epsilon, Miss Lorraine Wood was presented with the scholarship award given each year by the Phi Mu chapter at San Jose State college. The award is given annually to an outstanding woman musician based on her scholastic achievements and musicianship during her freshman year in college.

Miss Wood, the daughter of Mr. and Mrs. Ray Wood, 321 Rincon Avenue, is studying the piano under the tutelage of William Erlendson at the college. Miss Wood is the third Campbell girl in succession to receive this award, with Katherine Fuller Sorensen, flautist and Shirley Courtney, 'cellist, being former winners. Miss Wood, sophomore at San Jose State College, serves her sorority as treasurer. In addition to her school work, she also holds the position as church organist at the Campbell Congregational church and teaches piano students at her home.

Pen Women Hear Professional Authors Talk

Eleven outstanding figures in contemporary American literature were presented to the public at the Book Author's Tea, Saturday, Nov. 3, at the San Jose Woman's Club, 75 S. 11th St. Sponsored by National League of American Pen Women, Santa Clara County Branch, this unusual event allowed readers and prospective writers to hear from professional authors themselves about their work.

Sibyl Hayes was program chairman. Waddington Smith and Nadine Hammond were in charge of decorations. Ticket sales were handled by Ross Darrough and Mildred Hamilton.

President, Catherine Urban, welcomed the writers, and Pearl Simpkins introduced each speaker, giving a lively and interesting account of the work of each. Also presented to the public were authors, painters, and composers who are members of the Pen Women themselves: Mrs. Fremont Older, Myrtle Wilkins, Genevieve Lake Lassere, Ann Porter, Dr. Dorothy Kaucher, Helen Roberts, Bertha M. Rice, Mabel Dana Lyon, Marjory Fisher, and Ruth Comfort Mitchell.

Miss Howard Installed As State Officer

Miss Joline Howard will hold the position of Grand Fourth Messenger of the Job's Daughters Grand Bethel, State of California, it was announced Friday evening at the state convention selection of officers. Her duties during the coming year will be to visit as many of the area Bethels as possible and help keep the organizations in touch with one another.

Newly-elected officers were installed Saturday morning with a banquet being held Saturday evening at the Scottish Rite Temple.

Miss Howard is the daughter of Mr. and Mrs. LBen Howard and has been very active in her bethel work.

Mr. and Mrs. Fred Fellman announced the betrothal of daughter, Arlene, to Danford Perusina of Los Gatos. Miss Fellman is a graduate of the Campbell high school. The benedict-elect is the son of Mr. and Mrs. M. M. Perusina of Los Gatos.

The couple plan to be married shortly after Thanksgiving and will honeymoon in Hawaii.

Sophomore Girls To Fete Mothers At Outdoor Tea

Mothers of sophomore girls of Campbell high school will be feted by their daughters at a tea at the school on the afternoon of November 20. Tentative plans call for an outdoor event with tables arranged around the newly constructed swimming pool. In case of adverse weather, the tea will be held in the dance studio of the new girls' gym.

Committees handling invitations decorations, refreshments, entertainment, hostesses and posters will serve under the direction of faculty advisors Mrs. Vivian Gregory and Mrs. Betty Youngman.

Refreshments consisting of individual cakes, ice-cream, candy, nuts and tea, will be served. Entertainment will be provided by girls of the sophomore class. Decorations will carry out a fall theme with fall flowers for the annual event.

ART PROJECT TOLD TO CLUB

Members of the Campbell Country Women's club heard Mrs. Ray R. Prince, chairman of the group's art department, speak on the "Pennies for Art" project of the Federated Women's clubs this week. Mrs. Prince outlined the meaning and goal of the project, stating that the PFA was formed to stimulate greater interest in art. All members of clubs belonging to the Federated Women's Clubs are eligible to participate in the program. A yearly contribution of one cent per member is required with these funds going toward the purchase of paintings of American artists by th evarious clubs. She told her audience that more than nine million pennies have been collected by the group since 1917.

In conjunction with the program, students of Campbell Grammar and High schools are submitting paintings to be forwarded to the Santa Monica State Art Association. Best work of local students will be sent to Santa Monica and entered in competition with paintings of other students throughout the state. Five best paintings at the Santa Monica show will be sent to Washington, D.C., for display and will then be forwarded to Europe as a friendship gesture between the United States and European countries.

Local exhibits will include work of Mrs. M. Sourisseau's eighth grade paintings in naturalistic de- artists by the various clubs. She sign and water colors by pupils of Mrs. Thelma Wathen's seventh grade art pupils.

Work on display will also include water colors by the following freshmen high school students: Connie Coombs, Elton Carter, Dianne Martin, Maude Crain, Runore Smith, Nora Stewart, Roy Inouye and Joan Ziegler.

Mr. and Mrs. JAMES DOWNING are now residing in Los Gatos since Mr. Downing's discharge from the army after having been activated from the reserves. Downing, who served as a Sergeant at Ft. Lewis, Washington, is the son of Mrs. H. A. OLSON of Winchester road.

Eight Campbell Camp Fire Girls Upped In Rank

Miss Edith Titcomb, chairman of committee of awards of the Santa Clara County Council of Camp Fire Girls, has announced that the following girls have completed the requirements for advancement in ranks. Eight girls from Mrs. Del Worley's group in Campbell have passed the first rank, that of Trail Seeker: Phyllis Plymale, Debby Worley, Sue Ellen Wood, Joan Patton, Michel Mehren, Kathy Lou Beatham, Jill Chambers, and Gayle Reinegger.

From Mrs. Paul Crawford's group in Burbank, Mabel Rose Ashley has passed Woodgatherer's rank.

Sixth Grade Parents Hold School Supper

Over 80 parents of sixth grade students enjoyed a potluck supper Friday evening, November 9, at the San Tomas school, as part of the program to better acquaint parents with school routine and problems.

Following supper, parents of Mr. Sam Cook's room were shown Hawaiian movies to demonstrate what the students are learning about Hawaii. Discussion then followed in both Mr. Cook's and Mr. Ray Wilson's classes as to the general sixth grade curriculum. Hostesses for the occasion included Mrs. J. W. Cardellino, Mrs. Gus Standish, Mrs. Ray Martin, Mrs. Chester Brott and Mrs. Miles Standish.

Mrs. M. EDITH IRISH of Beaumont, is now making an extended visit with her cousin, Mrs. EDNA SMITH of North Second Street.

Church Carnival Is Planned For November 16

Plans are progressing for the Congregational Church Carnival to be held November 16 in the church parlor at 2:30 p. m. Several participating organizations are providing a variety of gifts and refreshments. General chairman for the event is Mrs. Pat Meiss, president of the Friendly Circle.

Group one and two of the guild have been engaged in making aprons, linens and miscelaneous articles for the carnival. Chairmen are Mesdames Theodore Vick, Mina Williams, Mary Burrow and Ethelda Minehart. Mrs. Eunice Scott will head the evening guild both which will feature a grab bag and miscellaneous items.

Mrs. Marion Jenson will lead the Sigma Sigmas in selling cook books and food, and in serving tea from 2:30 to 4 p. m.

The Friendly Circle has several display projects and in addition to serving pop corn, they will also serve a buffet dinner from 4:30 p. m. to 7. Chairmen are Mesdames Bertie L. Jones, George Locke and Marilyn Anderson.

Nancie Naylor, leader of the Pilgrim Fellowship, will assist her group in conducting a parcel post booth.

A nursery for small children will be provided for women who wish to do their shopping.

SERVICES FOR C. C. JETTON HELD THURSDAY

Funeral services for Clarence Jetton, 42, of 112 Dillon St. were held yesterday afternoon at Krug Memorial Chapel. Jetton, an employee of a San Jose company, was pronounced dead on arrival at the County Hospital Monday after suffering from a heart attack. He was a native of Oklahoma and a resident of Campbell for eight years.

Survivors include his widow, Pearl; a son, Air Force Sgt. Clarence L. Jetton, Randolph Field, Texas; and two daughters, Mrs. Joy Gundy and Mrs. Dorothy Blackmun, both of Campbell.

Interment was at the Santa Clara City Cemetery.

Last Rites Held For Victim Of Tank Sinking

Last rites were held Wednesday in San Jose for Bruce Kellog, 33, of 22 Bercaw Lane, one of three employees of Food Machinery Corp. who drowned last week in the sinking of an experimental tank at Anderson Dam Reservoir.

Kellog's body was recovered Monday morning by sheriff's deputies who were dragging the lake in search of him and Manuel Moura of San Jose who perished along with Forest Benefield in the tradgedy.

Kellog's body was recovered by grappling hooks about 15 feet from the tank which sank suddenly on Nov. 6 in the deepest portion of the reservoir. Tank was located 112 feet below the surface of the water.

Kellog is survived by his parents, Dr. and Mrs. Howard Kellog of Campbell, and a sister, Mrs. Eleanor Tuggey of Venezuela. Interment was at Los Gatos Cemetery.

SERVICE NOTES

AWARDED INFANTRY COMBAT BADGE

Pvt. Ray Henderson, 141 Dillon, Campbell, recently was awarded the Combat Infantryman Badge for excellent performance of duty in combat with the 7th Infantry Division.

The badge, a symbol of the front line fighting man, distinguishes the combat soldier from the rear area and service troops. It consists of a miniature replica of a Revolutionary War flinlock rifle mounted on a blue background and superimposed on a wreath.

Henderson, who entered the Army March 27, 1951, is assigned as a rifleman. He arrived in Korea August 27, 1951 and wears the Korean Service Ribbon with one campaign star and the Combat Infantryman Badge. He receive his basic training at Schofield Barracks, Hawaii.

Henderson is a graduate of the Campbell Union High school, and was employed by Hunt's Foods, Inc., Campbell.

JOINS NAVY

Larry Roy Solomon, 17, son of Mrs. Myrtle Meyers, 731 West San Tomas, has been accepted for a recruit enlistment in the regular Navy and sent to the training center in San Diego for eleven weeks of Navy indoctrination. Prior to his enlistment, he attended Campbell Union High school.

W. E. MONSEN RE-ENLISTS

William E. Monsen, husband of Mrs. Alice Monsen, of P.O. Box 307, Campbell, ex-Navy man, was re-enlisted in the Regular Navy in the rating of Fireman, USN, and sent to the Naval Station at Treasure Island to await assignment.

CAMPBELL MEN MEET IN AFRICA

Sgt. Alvin Ellis, son of Mr. and Mrs. S. J. Evanoonkester of 53 Harrison, reports that he met Daniel Boone of Foxworthy Avenue, while in Sidi Slimane, North Africa, recently. Ellis is with the Air Force and Boone is doing civil service work in the area.

E. A. JARVIS IN NAVAL TRAINING

Undergoing recruit training at the U.S. Naval Training Center, San Diego, is Everett A. Jarvis Jr. seaman recruit, USN, son of Mr. and Mrs. E. A. Jarvis of 669 Hazel Avenue, Campbell.

Before entering the Navy, he attended Campbell High school.

This initial training includes instruction in such fields as seamanship, fire-fighting, gunnery, signaling, and other courses designed to make the recruit well-versed in every phase of Navy life.

Upon completion of their 11-week training period at the training center, graduates are assigned to duty stations with the Fleet or at Navy shore stations, or are sent to service schools for advanced technical training.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN, that the Board of Trustees of the Campbell Union School District of Santa Clara County, California, hereby invites, and will receive, sealed proposals for the furnishing of all materials and labor for the following:

Eleven Classrooms, Kindergarten, Multi-Use, Kitchen, Administration Storage, Heater Room, Sanitary Facilities, for the Rosemary Elementary School—Project No. 6—Campbell Union Elementary School District, located on Eden Street and Hamilton Avenue, Campbell, California.

All bids must be in writing, and entitled, "Bid for Rosemary Elementary School—Campbell Union Elem. Sch. Dist." and mailed or delivered to Walter Williams, Clerk of the Board of Trustees of Campbell Union Elementary School District, at 111 North 3rd Street, Campbell, California, in time so that the same will be received by him not later than 8:00 o'clock p.m. on the 18th day of December, 1951, at which time said bids will be opened and considered at a meeting of said Board to be held at the meeting place of said Board, to-wit: Office of the District Superintendent, 111 North 3rd Street, Campbell, California.

Bids shall be presented in accordance with plans and specifications for said work which are on file at the office of said Board at Higgins and Root, Architects—220 Meridian at Park, San Jose, California. A deposit of $25.00 will be required for each set of plans, said deposit shall be returned to the bidder when plans and specifications are returned, in good order, within 5 days after the bid opening date, to the Architect.

All bids must be signed by the bidder, and be accompanied by a bid bond, or a certified check or cashier's check for an amount not less than ten per cent of the amount of said bid, said checks to be drawn payable to the order of Mr. Walter Williams, Clerk of the Board of Trustees of Campbell Union Elementary School District, as a guarantee that the bidder will enter into a contract with said Board of Trustees in accordance therewith upon being notified of the acceptance of said bid, and will furnish the surety bonds as required by the specifications and by law, and said check to be forfeited to said Board of Trustees of Campbell Union Elementary School District should the bidder fail to execute the contract and furnish the bonds above mentioned.

Workmen employed on said work shall be paid not less than the hereinafter set forth prevailing scale of wages:

Classification	Hourly Rate
Carpenters	$2.39
Electricians	$2.75
Glaziers	$2.30
Painters	$2.02½

all in accordance with the rates fixed by schedule adopted by the Board of Supervisors of the County of Santa Clara, to which reference is hereby made for rate of payment not herein specified.

The prevailing wage scale heretofore adopted by the Board of Supervisors of the County of Santa Clara on June 4, 1951 as amended is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type or craft of workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part hereof as though the same were herein set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rate of wages as therein specified to all workmen employed in the execution of said contract.

Sand schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work should designate in their bid the names and location of the places of business of each subcontractor who will perform such work, labor, or render service in an amount in excess of one-half of one percent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California.

This Board reserves the right to reject any and all bids, and to waive any informality in any bid received, at its discretion.

All bids must specify that said work is to be completed 180 Calendar days after the execution of the contract for the same. Should said work not be completed in that time there shall be deducted from the final payment the sum of twenty-five and no/100 dollars ($25.00) per day as liquidated damages. Time of completion may be extended at the discretion of the Owner. Time shall be the essence of the contract.

No bidder may withdraw his bid for a period of thirty (30) days after the time for the opening thereof.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

BY ORDER of the Board of Trustees of Campbell Union Elementary School District.

Dated: November 15, 1951.

WALTER W. WILLIAMS
Clerk of said Board.

FUND DRIVE WORKERS MET TUESDAY NIGHT

Unit coordinators and workers of the Campbell Community Service Fund Drive expressed the opinion Tuesday night that contributions to the drive in both the residential and business sections were approximately 50 percent below amounts anticipated. Of the $14,000 goal, approximately $4,600 has been collected to date.

Workers, meeting Tuesday night in the little Theatre of the Campbell high school to find means of stimulating the drive, considered recontacting stores in the business district. The group decided to place containers in all business houses to collect additional contributions. Residential workers stated that they were getting considerable resistance from homes where the wage earners worked in another area and had had pressure brought to bear on them to contribute in their place of business.

Eugene W. Barnes, general chairman of the drive asked that those who work in other areas and are forced to donate where they work, to contribute at least half of their funds to the local drive rather than making the whole donation in another area. "The Campbell Community Servic Fund Drive," he said, "is designed primarily to aid local organizations and all money collected goes directly to these groups with only one percent spent for office supplies and secretarial help."

CTA Contributes $202 To Service Fund Drive

Treasurer Ralph Dill of the Campbell unit of the California Teachers' Association reported on Wednesday night that $202 was turned over to the Campbell Community Service Fund. Amount represents collections from teachers in the three district schools.

The major part of the meeting was given over to reports by delegates to the recent conference at Asilomar. President Calvin Roll presented a general report. Vice-president Duane Beaubien reported on the professional relations committee. Ray Wilson reported on the finance committee; Lois Hoyt delivered a report on public relations and Wilma Harris reported on the legislative committee.

A budget for the year was presented to members but action was delayed until a member canvass can be made on certain constitutional changes.

Mrs. Young Is Feted At Party

Mrs. Henry Young was feted on her seventy-first birthday Wednesday afternoon at the home of Mrs. H. B. Whitehouse. Luncheon was served and the honoree was presented with several gifts. The group, comprised of five friends of Mrs. Young's, have been meeting on each other's birthdays for more than 20 years. Mrs. G. A. Abbinette and Mrs. C. C. Burns were the only members of the group who were unable to attend the festivities Wednesday. The social group is made up of Mrs. T. Arthur Robinson, Mrs. Ben Austin, Mrs. Henry Young, Mrs. H. B. Whitehouse, Mrs. D. C. Burns and Mrs. G. A. Abbinette. Hostess usually provides main dish of the luncheon and the other members bring salad and dessert and small gifts for the honoree. Mrs. Young celebrated her birthday by starting work on her third "flower garden" patchwork quilt.

Many Injured In Armistice Day Auto Mishaps

A rash of auto accidents struck the Campbell area over the long Armistice Day weekend as seven persons were injured in accidents. Four persons were injured Saturday when a pickup truck driven by Jack M. Farnham of San Jose-Los Gatos Road, Campbell, was involved in an accident with a dump truck driven by John J. Barnard of San Jose on Plumber Avenue, north of Foxworthy. Barnard was turning into a private driveway when his vehicle was struck by a truck driven by Farnham. Besides Farnham, two passengers in his truck received minor injuries and one received major injuries. Injured were Farnham, Lloyd J. Smith, San Jose-Los Gatos Road, Los Gatos; Louis Sherlock, San Jose; and Ralph Leiby of 1660 Scott, San Jose, who received major injuries. All were treated at O'Connor Hospital.

Also injured in weekend accidents were Henry C. Jones, 28, of Los Altos, who was taken Palo Alto Hospital when he fell asleep while driving his car. Vehicle struck an apricot tree at the corner of Moorpark and Winchester Roads at 2 a.m. Saturday. He was taken to the hospital by a friend.

Dan Dumas, 21, of San Jose, was treated for minor injuries at the first aid station in San Jose when the vehicle he was driving turned over on Winchester Road south of Hamilton at 5 a.m. Monday. Also treated for minor injuries was Donald Mathern, of Van Nuys, a passenger in Dumas' vehicle.

Arthur W. Staggs, 38, Dell Avenue, Campbell, was taken to San Jose Hospital with major injuries suffered when the vehicle he was driving ran into a stop sign on the corner of Lawrence and Homestead Roads at 6 p.m. Monday.

Phillip J. Amos, 11, and Terry K. Amos, 9, both of 665 South 15th Street, San Jose, received minor injuries in a two-car accident on Dry Creek Road east of San Jose-Los Gatos Road at 4:30 p.m. Wednesday afternoon. The two were passengers in a car driven by Yoland T. Amos of the same address and were traveling northeast on Dry Creek Road when they were involved in a crash with a car driven by Delwin H. Rolth, 36, of 334 Dickens Avenue, Los Gatos. Rolth was driving southwest on Dry Creek at the time of the accident. Both children were taken to their home.

Farewell Tea Plans Completed

Friends of Mrs. Rose Hanger are completing plans for a farewell tea which will be given in her honor at the Methodist Church parlors Sunday afternoon at 4 p.m.

Mrs. LBen Howard is serving as general chairman for the event with Mrs. Joe S. Keesling in charge of the musical program. Featured number of the program will be a group of songs by the church junior choir.

All of Mrs. Hanger's friends are cordially invited to the tea to bid goodbye to Mrs. Hanger, who plans to leave Campbell shortly to make her home in Salinas.

Bicycle Safety Course Started At Cambrian

Cambrian School has instituted a bicycle safety course under the sponsorship of the Santa Clara County Safety Council. The course, divided into five one-week sections, will be under the direction of W. J. Hennessey, sixth and seventh grade teacher. A spokesman for the safety council announced that material and films have been made available to instructors for use in classrooms. Courses are based on a flexible schedule and may be changed by the school as they deem necessary.

First week of the course will include instruction in safety laws and safe bicycle riding practices. Second week will consist of hows and whys of proper bicycle maintenance. Third section will consist of three short written tests on material covered in previous weeks. A riding test on the practical application of theories learned will comprise the fourth week. Included in the test will be obstacle and balance courses. Fifth week will be a summary of previous week's work and presentation of certificates showing completion of the course. Members of the highway patrol are cooperating with school authorities and will send speakers to the school on request.

Kelvin Twohy, secretary-manager of the Santa Clara County Safety Council, stated that his group is attempting to bring the series of safety courses to schools throughout the county. "This is the first time," he said, "that we have been able to offer material and advice to schools outside the city of San Jose."

Federal Gov't. Gets Huge Slice Of Tideland Royalties

State Controller Thomas H. Kuchel announced today his issuance of a warrant for $2,547,107.06 to the federal government, representing tideland oil royalties received by the state during July, August and September. This brings to $10,258,000 royalty monies so transferred, and brings to a grand total of $37,505,000 of state royalties which the federal government claims.

"Long standing precedent and our own sense of right and wrong place title to all these monies in California," Kuchel said, "but a majority of the United States Supreme Court changed all that. And now we pay them over to the federal government as stakeholder, freeze some in our own treasury, and await final judicial determination of what, if any, part of them belongs to the people of this state. Meanwhile, California is deprived of the use of 37 million dollars, which, even today, is no untidy sum.

"And beneath this controversy, indeed, the cause of it all, is the insiduous and constant trend toward federal dominion over almost everything which, in the past, we fondly believed to be our own state business."

The present warant was drawn in accordance with an agreement entered into by the state and federal government under the U. S. Supreme Court "tidelands decision of 1947. This decision held that the federal government had "paramount rights" over the California tidelands.

California must continue to transfer future royalties at a rate of about $850,000 per month. In addition, the federal government claims $27,244,000 in other oil royalties impounded by the Controller and held in the state treasury.

In lieu of the lost tideland revenue, the legislature has used over seven million dollars of general fund monies for acquisition of beaches and parks. The net effect on state finances, therefore, Controller Kuchel pointed out, has been to deprive the state's general fund of over 18 million dollars which otherwise would have been available for general state purposes (such as schools), and likewise to deprive the Beach and Park funds of approximately 18 million dollars which otherwise would have been available for new state beaches and parks. State law provides, except for the Supreme Court action, that the tideland royalties are to be divided between the general fund, beach fund, and park fund.

With the windup of the lightweight cage season, Bert Robinson's 110 team has an excellent record to show for itself. With eight straight wins against only two losses, the locals are a cinch to take second place in the league with a possibility of a tie for first place when the remainder of games are played by their opponents. The featherweights deserve all the credit that can be given them, particularly after finding themselves after a slow start. Their bigger brothers, the 120's, finished the season with a fair record of six losses and four wins. The picture might have been altogether different had Gary Hoover not suffered injury to one of his ankles during the height of the season. Robinson has nothing but praise for Gary and says he hopes to see the lad become a truly great basketball player. Also hopes to see him take a good spot on the varsity during the next two years.

A steadily improving Buc grid squad will face a strong Fremont Indian eleven on the local turf this afternoon. The Bucs, who are noted for their strong defensive play, can expect Fremonters Moore and Reynolds to toss plenty of passes to overcome the difference. The passing combination, which features both the quarterback and the half as equally good on either passing or receiving, will give the locals plenty of trouble. Both boys are qualified passers and receivers, and might prove to be the combination to overcome a strong defense against an Indian running attack. Should Muir be able to develop a suitable pass defense, his squad might find themselves in the unenviable position of being able to stop Fremont in their tracks, but unable to take advantage of it offensively. Muir, still undaunted by the defeats which his boys have suffered, gave his usual prediction of "anything can happen." On the optimistic side of the ledger, he pointed out that the Bucs are high for the tilt and are now capable of playing a good brand of ball..

Biggest prize of the week for the Bucs was the B grid squad's 7-0 victory over the Mt. View Eagles. The locals were faced with the problem of stopping the same type of passing combination which proved fatal to the varsity. The win, first of the season for either the varsity or the B's, should atone some for the varsity loss to the Eagles.

Notes on places to be this week include a meeting of sponsors and managers of merchant league basketball teams Tuesday night at 7:30 p.m. in the boys gym at Campbell high. Bert Robinson has asked all those interested in entering a team in the league to be present for the meet.

Occasionally we hear a sportsman growl about the attitude of most farmers in allowing the nimrods to hunt on their land. Happened to make a survey of the subject a little while back and most farmers' complaints seem to center around the fact that all the hunters he has come in contact with show little or no consideration for the protection of property, livestock and the lives of those who live and work on his ranch. The ranchers complain of the hunter who can't tell the difference between a window screen and a pheasant's antlers or an anudder. And, the farmers say, hunters have a habit of leaving gates open so that the stock which they don't kill will wander off. Of course, we think that many of the complaints are exaggerated, but it would be well if all of us would exercise exceptional care so that we don't add to this animosity.

Nimrod notes include another bouquet for the Cefalu brothers, Pete and Tony, of the local sport store. The pair brought back two does from Devil's Gardens up Modoc way Sunday last week. Tony's kill, which dressed out at about 105, was shot on the run. Pete's prize dressed out at 90 lbs. Ira Grim, local postmaster, and his son, Merrill, brought back a pair from Doyle up in Lassen County this weekend. Both deer dressed out at about 108 lbs.

Campbell High's annual turkey trot is fast drawing to a head. The yearly race for turkeys will take place at noon on November 21. Feature of this year's race will be the double header with one race being run during each of the two noon periods. Winner of each race will receive a turkey with probable second prizes being a capon and a fryer. Last year, 53 Campbellites joined in the race, but Junior Morgan hopes for twice that number this year.

Moorpark School sixth graders spilled Campbell Grammar School sixth graders last Friday in a touch football game at Campbell. Final score was 18 to 8.

VARSITY CAGE SEASON STARTS NOVEMBER 30

Signups are now in progress for Buc Varsity and 130 cage teams who will take the field against Willow Glen in a season opener on November 30. The varsity, who will have no returning first string veterans from last year's squad, will neverthless be blessed by the turnout of good material up from last year's 30 squad. Notable among them is Forest Benton, a junior who played guard last year. Another player Coach Robinson is looking on with a favorable eye is six-foot-two Jack Harris, who will probably see service as center. Others who may see plenty of play this year are Tommy Hill as forward, Tom Hansen, who played center last year and may be shifted over to the forward niche, and Guard Ron Gilpatrick.

The 130 squad will be bolstered by the turnout of several experienced men from last year's 120 team. Coming up are Bob Yamashita, Bob Fukinaga, Hall Shumway, Ken Beth, Dick Jordan and Bob Pentzer.

CAGERS TAKE DOUBLE HEADER

The Buc lightweight cagers dumped the Lick Comets 25-12 and 31-38 in a double header last Nov. 2 on the Lick courts. The 110s boosted their winning streak to seven straight with their 25-12 win over the baffled Comet five. A tight zone defense kept their opponents from sinking the necessary field goals. Arnaud sparked the locals with 15 tallies while Comet Ashmore led his team with four sinkers.

The 120 cagers bounced back from their defeat at the hands of Lincoln last week to take their third win of the season with Duarte leading the locals with a total of nine points and Jetter of the Licks following him up with seven points.

JayVees Stopped By Lincoln Squad

Junior Morgan's JayVees dropped their third contest of the season last week in a wild scoring 18-12 battle with Lincoln. The Lions scored first on a prolonged drive which saw Lahee crash over in the first period. The try for extra point failed.

A fighting Campbell grid squad rolled back up the field to score early in the second quarter with Duane Holm slashing his way over right tackle for the first Campbell TD. The Lions came back with a score by Gardner and a long run by Lahee, who broke loose on the Buc 45 to go all the way in the last of the second quarter to bring the score to 18-6.

The Campbellites retaliated with a march which ended with Larry Pereira carrying the pigskin over for a second Buc TD.

A toughened Buc line held the Lions on the five twice in the second half, but failed to put together a scoring drive themselves.

The Bucs lost an earlier season game to Lincoln, 33-6.

Final Plans For Card Party Set

Preparations are completed for the card party to be held by St. Lucy's Church this coming Saturday evening, November 17, in the Campbell Union High School. Profits will be used to defray costs of remodeling to be done in the church.

The final pre-game meeting of the card party general committee took place Thursday evening. Due to the advance ticket requests and the generous variety of prize awards that have been contributed for the party, plans for the occasion have been augmented to accommodate a large attendance.

Play will be conducted by Joseph Homen and will start punctually at eight o'clock. The public is invited to participate.

Henry A. Weitzel is general chairman.

Fiorini Passes Down Bucs, 12-7

A strong passing attack sparked by Eagle Marv Fiorini proved too much for the Buc gridders as they went down to defeat in a hard-fought 12-7 contest at Mt. View last Friday night. The Mt. View squad took an early 12-point lead before the Bucs scored their first tally, but managed to hold the raging locals during a Campbell dominated second half.

First Eagle score came in the second quarter with Manuel Lujan slashing off 19 yards on an off-tackle play for the TD. With only five seconds before the halftime gun, Fiorini tossed out to Lujan for 18 yards and the final Eagle score.

Following a Buc pass-interception on the Eagle 19, a series of five plays brought them down to the two where Rhodes smashed over for the score. Namba's kick for extra point was good.

Campbell dominated the remainder of the game, but fell short of making the winning TD.

Muir praised the work of Bill Gregg, Tom Rhodes, and Don Lukehart.

CAGERS WIN FINAL CONTEST

The lightweight cagers wound up their final games of the season last Thursday when they dumped Washington in a double header, 40-16 and 41-36. The 40-16 victory culminated an eight straight win streak by the 110's with Arnaud sparking the locals with 11 tallies.

Yates led the 120s with a total of 11 points in a close fought contest in which the victor was decided in an overtime period. Mahusay led the Huskies with 13 markers.

HIGH SCHOOL ELECTIONS

Results of Junior Class elections at Campbell high school recently placed Trent Barton as president, Bob Yamashita, vice-president; Ruth Croft, treasurer, and Donna Shaddox, secretary.

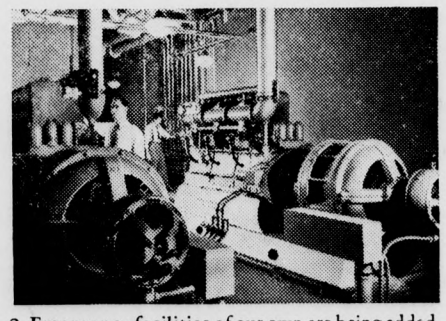
UNITING THE DEFENSE OF THE UNITED STATES
How we've geared the telephone system to meet today's emergency

1. **How fast** can we spread the word? Since the days of Paul Revere, the nation's strength in times of crisis has depended on swift, reliable communications. Today, the telephone is at work helping our military men organize their forces...at work saving minutes and hours and days in defense production plants... at work nearly everywhere uniting the strength of our millions of people.



2. **Emergency facilities** of our own are being added, too. Like this standby generator which can produce our own electricity in case of power line failure. Special plans have been made to rush "telephone task forces" of men and materials into strategic areas, if need be. In every way possible, we're making sure the calls keep going through...the calls which mean so much to our nation.

3. **Since Pearl Harbor,** we've put well over a billion dollars into telephone facilities in the Pacific West. We've made many, many technical improvements to speed and extend the service. The result: A telephone system far stronger than ever, doubled in size. We could do it because, over the years, we've had the financial strength to attract the investors' savings we must have to pay expansion costs. And with financial strength in the future, we can continue to build our ability to serve you and our nation.

Pheasant, Quail Season Opens Saturday Morning

California's estimated quarter-million upland game hunters will take to the field this weekend to inaugurate the State's general pheasant, brush and cottontail rabbit, quail and tree squirrel hunting seasons.

The 10-day ringneck season, November 17 to November 26, is expected to attract more than 175,000 shotgunners, an estimate based on last year's sale of $1 pheasant tags. Bag limits are two birds a day, but not more than 10 per season.

For the first time this year, half the daily bag or possession limit may be hen pheasants, in the counties of San Benito, Monterey, Kings, Tulare, San Luis Obispo, Kern, San Bernardino, Santa Barbara, Ventura, Los Angeles, Orange, Riverside, San Diego and Imperial.

Quail hunters will open three of the State's four seasons Saturday. In Humboldt and Del Norte counties, and the parts of Mendocino, Sonoma and Marin counties west of Highway 101, the season began November 3 and will end December 31. Elsewhere quail hunting begins November 17, ending November 26 in Mono, Inyo and Imperial counties, and easterly portions of San Bernardino and Riverside counties; closing December 15 in district 1-3/4; and December 31 elsewhere. Bag limit is eight quail.

COOPERATIVE PHEASANT HUNTING AREAS

Eleven cooperative pheasant hunting areas, blanketing some of the best hunting country in the State, will be opened without charge again this year to the nimrods who are expected to participate in the 10-day season.

In its third year, the cooperative hunting area agreement between the California Department of Fish and Game and landowners will see more than 105,000 acres opened to a maximum of 9,000 hunters at a time. When the program was inaugurated in 1949, the hunting acreage totaled 56,000.

Pheasants raised at State game farms are released ahead of the season on cooperating landowners' territory—provided the rancher allows free shooting. Only one area charges the legally allowable fee of $2 per hunter.

With fish and game wardens patrolling each area, the statewide pheasant hunting bag limits and regulations will apply: no more than two male birds per day or 10 per season. No hen pheasants may be taken on cooperative hunting areas.

Approval Given To Quito Club Charter Tuesday

Members of the Quito Club unanimously approved their charter at a meeting held recently in the Moreland school. The group also elected Ken Brown of 18350 Paseo Tierra to the position of chairman. Other officers elected were Ollie Upton, co-chairman; Mrs. Norma Brown, secretary; and W. L. Archibold, treasurer. The charter, which has been in preparation by a committee for two weeks, provides that any adult resident of El Quito Park is eligible to apply for membership. Aims of the organization are stated as making Quito Park a safer and better place to live.

Meeting dates have been set as the first and third Tuesday of the month at the Moreland Elementary school. Next meeting will be held November 20.

Poem For Thanksgiving

God, make us worthy of this day,
The home, with work, play,
enough to eat
The safety of our land, or every
home,
The friendliness of neighbors
that we meet;
That we many say whate'er
we will,
And know that we are free
To say or do whate'er seems best,
Without fear of tyranny.

Make our hearts thankful,
oh dear God,
For the trustful look in children's
eyes,
For peace, and rest, and sacred
homes,
Sanctuary, under peaceful skies.
We thank you for this sacred sod,
Make us deserve America, dear
God.

MOORPARK PTA HEARS ADDRESS ON CIVILIAN DEFENSE TUESDAY

"Civilian defense means self-protection." This was the theme of an address made by Mr. Sam Browder to the members of the Moorpark PTA at their regular meeting Tuesday afternoon, November 13, at the Moorpark School. Mr. Browder further stated that teachers and parents must assume the responsibility for instructing children in self-protection in case of bombing, atomic or otherwise. He distributed checksheets by which parents can rate their civilian defense IQ and follow the suggestions listed for the best possible protection of themselves and their families.

Browder is a representative of the Eleventh District Office of Civilian Defense. He was introduced by Mr. William Lorimer, Chairman of Civilian Defense for the Moorpark PTA.

Other business of the meeting included a financial report on the carnival, read by Mrs. Howard Womer. The carnival was a success and Mrs. Womer expressed her thanks and appreciation to all those who articipated in the project.

Mrs. John Abreo, membership chairman, reported on the recent membership drive for PTA in the school. There are 634 paid members for the current year, of whom 217 are men. This is an increase over last year.

Mrs. Floyd Dearborn gave a report on the rain-wear exchange conducted by the PTA. In the absence of the publicity chairman, Mrs. Dearborn announced a discussion group and lecture course in "More Effective Family Living" to be conducted by Dr. Clarence Angel of the Campbell Adult Education Department. The meetings will be held at Moorpark school.

Mrs. Gerry Ginney, president, introduced a suggestion to donate a sum of money to the fund for buying a station wagon for the blind children at the Campbell school. The members voted a sum of $50 for this purpose.

The members also voted to write a letter to the county board of supervisors recommending continuance and expansion of the school dental program.

Refreshments were served at the close of the meeting by Mrs. Angello Assante and ladies of her committee.

Safety Council Commends Work Of Engineer

The Santa Clara County Safety Council yesterday commended the County Engineer's office for its attention to grade crossing hazards in this county, in a letter addressed to Mr. Robert Chandler of that office. The Safety Council congratulated the County of Santa Clara Engineer's office, and Mr. Chandler personally, for their "excellent work toward the elimination of traffic hazards at certain railroad grade crossings in the county." The letter apparently was inspired by the recent selection by the Engineer's office of five grade crossings to be ear-marked for early installation of crossing gates. These five crossings were picked for priority attention because of their hazardous nature and the volume of traffic flowing over them.

These crossings are: Diss Road, Charleston Road, San Antonio Road, Rengdorff Avenue, and Easy Street. The traffic count was made by George Gulley and Chandler's office as a result of a policy adopted by the grade crossing committee, which looks forward to a similar tabulation at every grade crossing in the county.

Commenting on the traffic hazards at these points, Grace McDonald, chairman of the grade crossing safety committee of the Santa Clara County Safety Council observed: "Together, these five grade intersections are crossed by over ten thousand five hundred cars and three hundred and fifty trains daily. Of this number, the San Antonio Road crossing represents by far the heaviest traffic, including over fifty-five hundred automobiles and seventy-three trains each day. The law of averages, if nothing else, makes such a crossing an extremely hazardous one for automobiles. Of course, the ultimate answer to the grade crossing problem lies in complete grade separation at those intersections which are most heavily traveled."

Donald Smith Missing On Pacific Flight

Mr. and Mrs. Harry Smith of Sunnyside Ave., Campbell have received word that their son, Ensign Donald Smith, has been reported missing in an overdue Navy patrol bomber on duty out of Japan. Smith, who saw service in the Navy in 1944 as a radar operator on a troop ship in the Pacific, reenlisted in the Navy in 1948 when he went to flight training school and received wings and commission.

He attended Campbell Grammar School and graduated from Campbell high school where he was a member of the football team. He also attended San Jose State College for two years prior to reenlisting in the Navy.

He is married and his wife and child are residing in Hawaii.

Mrs. Smith stated that the Navy communication said a search for the missing plane and the eleven crew members was underway.

THANKSGIVING SPIRIT TOPIC OF SERMON

"The Spirit of Thanksgiving!" has been announced as the topic in the morning worship service in the Campbell Baptist Church, 115 Sunnyside Ave. Special music of Thanksgiving will be presented by the choir.

In the evening Evangelistic service at 7:30 p. m., the Pastor, Rev. Lyle E. Cushman, will speak on the topic, "Why Does God Allow Evil?"

Bible School meets Sunday, 9:45 a. m., with classes for all ages.

Youth Fellowship meets Sunday at 6:00 p. m.

Wednesday Bible school and Prayer Hour, 7:30 p. m.

On Wednesday, Nov. 21, 7:30 p. m., a special Thanksgiving servcie of prayer and praise will be conducted in the church. The public are invited to all the services of the church.

GRANGE HOLDS ELECTION OF NEW OFFICERS

George Shattuck was re-elected master of the Orchard City Grange for the coming year last Tuesday night. Other officers elected included Wesley Youngcalus, overseer; Mrs. Lucille Hoerler, lecturer; Richard Morrill Jr., steward; Mervyn Keesling, assistant steward; Mrs. Alice Reynolds, chaplain; Emil Biller, treasurer; Herbert Shadle, secretary; Elmer Hoerler, gate keeper; Mrs. Josephine Biller, Ceres; Mrs. Sarah Blue, Pomona; Mrs. Viola Krug, Flora; Mrs. Ora Lear, executive board member; and Mrs. Virginia Rutherford, musician.

The meeting opened in the Odd Fellow's Hall with a pot luck dinner served by Mr. and Mrs. Al Peacock and Mr. and Mrs. Wesley Youngclaus. Two candidates were elected to membership and one application for membership was received. Ernest Angelo, master of the Cupertino Grange, was honored dignitary. Next meeting of the home economics group will be held Monday, Nov. 26 at the Congregational Church in San Jose.

At the next meeting of the grange, on Nov. 27, Martin S. Walsh will show pictures of a recent vacation trip which he and Mrs. Walsh took into Canada this summer.

The meeting will be in the form of a pie social.

The direct interview story was first used by Horace Greeley.

Campbell Girl Named As Queen Of Homecoming

Joyce Price, daughter of Mrs. J. Silberbauer of 170 Bland Avenue, was chosen homecoming queen for the University of Eastern New Mexico at recent ceremonies held there. She was crowned at a special assembly after election on a write-in ticket by members of the student body. Miss Price, a freshman medical student, participated in ground breaking ceremonies for a new $575,000 library for the university. The Campbell girl was also presented at the Eastern New Mexico-Colorado Mines football game on November 3.

It has been estimated that there are 13,704,000 acres of cultivated, urban and industrial land in California.

Demonstration Of Pruning To Be Held Tuesday

The first Agricultural Extension Service Pruning Demonstration of the season will be held at the John Tripoli ranch, Tuesday, November 20, at 1:30 p.m. Different varieties of fruit trees will be pruned. This meeting is open to the public and will be held, rain or shine, unless a downpour makes it impossible, says Farm Advisor L. C. Barnard, who will be in charge.

The Tripoli orchard is located on McLaughlin Avenue, east of San Jose, between Story and Tully Roads, at Box 159.

Teachers Meet With Parents

Teachers and parents of the Moreland school are holding a series of meetings this week prior to handing out report cards on November 16. Teachers will explain their goals in their particular education programs and will discuss various programs and answer questions of parents during the meetings. Parents may request individual conferences with teachers if they so desire.
